Subject: Meeting today

Tony, we are going to have to cancel the meeting for today. Could you and Rene prepare a written response of where those policy/procedures originate from the sheet I submitted? We are basically trying to establish the origin of the policies that are in question, whether it is the OAA, or a state statute, or a federal regulation. That would help us understand the process better. If you could have those for us by next Wednesday, that would be greatly appreciated. Thanks. Have a safe trip and go gamecocks!
