Too easy – assuming he qualifies for assistance, we can make something happen almost immediately, That said, worst case, we have thousands of people that are going to need a lot of refurbishment work and the CBDG money will not even be available for another year! (my next personal update to the Governor). Priorities are still to provide assistance in order of the most vulnerable. Will get him any support we can – more importantly, we will be provide a sympathetic ear and some expectations for the future. Thanks

Kevin

Dan – please have someone contact Mr. Huggins and see what is in the realm of the possible. Would like an update for Katherine, Senator Williams and me sometime early next week. Thanks!

Afternoon Katherine, Thank you for your help with the Aiken Leadership group, I have heard from Nicole and they are all set. Senator Williams had a call from a Mr.. Huggins from Lakeview, SC this week, His address is 300 Carolwood Road, House 623, Lakeview. His mailing address PO Box 1099 Lakeview, SC 29563. He said they are in desperate need for help because of flooding to the home. He said the Governor really needs to work to get some help to this area. I think the problem may be that Dillon County was not included in the disaster area. His number is 843-759-2195. I told him I would pass along his concerns to the Governor's office.
