Good morning,

Just passing along to you what I had previously sent to Kay. We are currently working on the brochure. I have set up a meeting with ETV in January to discuss how our office can become more engaged in their community outreach. Let me know if you have any questions.

Best,

Kristy

New write-up that Kay and I reworked:

### **ElderCare Trust Fund**

#### ***Supporting South Carolina's Seniors***

Currently, there are over **900,000 senior citizens living in South Carolina**. Over the next five years this number will grow to account for **24% of the population** in the Palmetto State, and many of our older citizens need your assistance. Established in 1998, the ElderCare Trust Fund was created to award grants to non-profits that create innovative programs to help seniors age with dignity in their homes. **100%** of your donation to the ElderCare Trust Fund goes to help seniors. The Fund has no administrative costs.
