October 14, 2015

Christy Hall
Acting Secretary of Transportation
SC DOT
955 Park Street
Columbia, SC 29201

Dear Secretary Hall:

On behalf of the citizens of Chapin, I want to thank you and all the members of your maintenance team that came to Chapin to repair the washed out shoulder on Murray Lindler Road! This road is a major access point for our elementary school, and keeping our residents safe as they transport children to school was of paramount concern to us all. We appreciate your sensitivity to making these repairs so quickly given the magnitude of the repairs that face our state as a result of last week's storm.

We were prepared to work in cooperation with your agency, Lexington County and FEMA officials to assist with the repairs if needed. While this road is not in the town limits, we know that our citizens care little about jurisdictional boundaries when public health and safety are concerned.

Thank you again for your decision to address this matter and for your service to our state. Please feel free to contact me directly if I can ever be of assistance to you.

God bless you! Chapin Proud – South Carolina Strong

Sincerely,

Skip Wilson
Mayor, Town of Chapin
