---

Chaney,

We are doing a special edition of Hardball Tuesday January 12<sup>th</sup> between 7-8pm ET and 12-1am previewing President Obama's last "State of the Union" address.

Is Governor Haley available to join us that evening to talk about what she thinks the president will say or join us after her SOTU response?

Or can she do Wednesday January 13<sup>th</sup> between 5-6pm?

Regards,

Nkechi Nneji
