hello my name is Barry Dearborn, i live in North Charleston. i am a registered sex offender and jobless. i am also behind on child support. i look for a job everyday and when i have a interview i am denied the job because of my background. i do want to work and i do want to pay child support. my question is, is there a way for me to avoid the judge and avoid going to jail? i have to register this month and i am scared there is a warrant out for my arrest. i am currently married and caring for a 10 month, a 6 year old and a 7 1/2 year old in my current marriage. i do not want to go to jail for not being able to find work. please help me, i really need it, please.. i have also been in contact with father to father and they cannot help me because of my background. i am litterly begging for help, again i do not want to go to jail. i have tried other state agency's and like all others because of my background are unwilling to help. the holidays are up and coming and i do not want to be without my family during this time. i am trying to find a job and i fill out tons of applications a day with no success.

thank you for your help,  
Barry Dearborn.
