Join us as we climb to the top of the Hunting Island lighthouse. Can you meet our challenge and do the same? A great time would be the 150th Anniversary Celebration on October 16-18, 2009. We will admit, it was a little hot today -- and it's not for the faint of heart!

Jim Harvey Does anyone remember when Norman Cooler was the Supt. at Hunting Island? He later developed and opened Huntington Beach. He was a POW in WWII, my cousin, and one of the finest men I have ever known.

Scott Krause Excellent info you're giving out, I think A LOT of people are unaware of the park locations or for instance that you could even climb up to the top of that light house. It would help if you can say where exactly you are at and possibly the hours but you're def doing a great job!
