Katherine -

My **"Options and Opportunity Education Plan"** is pure common sense - the greater our students' options and opportunities are upon graduation from high school, the brighter their futures will be.

1) **Expand the tri-county "Cradle-to-Career Pipeline"** - The resources and partnerships that this program provides should reach EVERY neighborhood, and community in our district. No child should miss out on the early developmental opportunities, and resource that prepare them to learn.

2) **Reinstate Skilled Trade certification programs in our local high Schools** - This gives our students the option to pursue higher education or a skilled career right out of high school.

3) **Grant South Carolina State University a \$75 million bond** - This will help stabilize the institution, and aid in the development of the 5 acre satellite campus located on the peninsula; which makes the opportunity of higher education more accessible to our students.

Our children and students deserve this. Please give me the opportunity to accomplish this for them. I ask for your vote on June 14th, your prayers, and your support as I seek re-election to the State Senate.

Thank you,

Robert Ford

You are receiving this email because your friend **Robert Ford** started a fundraising campaign on **Fundly** and wants you to get involved.

Fundly is about "crowdfunding for all". We believe anyone is capable of raising money for the people, places and things they care about.

Fundly is free to start, easy to use, and lets you keep every dollar you raise (small processing fee applies).

Fundly is the easiest way to raise money online.
