FYI

Hope this helps.

Haley,

I've attached the compromise amendment that was passed out of the K12 subcommittee. As I understand it, this will be a strike and insert amendment to S. 300 and labeled as "Amendment 1."

Amendment 2 is coming from the Department of Education – it has been promised to Sally Cauthen (K12 staffer) by Monday.

Finally, Amendment 3 will be from Senator Fair. It has also been attached. As you will note, both amendments are in rough draft format; nothing has been formally drafted at this point.

I hope this helps and please do not hesitate to give me a call if you have any other questions!

Best,
