Good afternoon!

Did your team perform up to expectations and meet their goals in 2014? Let's get 2015 off to a better start!

It seems as if the dust of last year has finally started to settle. I've stopped writing '14 on all of my documents and have slowly made the transition to 2015.

With that being said, it seems as if some of my 2014 New Year's resolutions have fallen by the wayside. Don't worry, at Teamphoria, we aren't sweating it!

We've got bigger plans on the horizon - we are still on track for our 2015 goals!

**It's a new year, with new goals, and no resolutions!**

With new goal setting tools on the horizon, we have been shaping our year for improvement instead of perfection. We aren't letting broken resolutions discourage us! Instead, we are setting goals for a happier, more productive workforce in 2015. Interested in seeing a preview of our new goal setting features? Reply to this email <mailto:andrew.strickland@teamphoria.com>, and we'll give you a sneak peek!

And of course, we still have all of our same great features, including:
