Ok. She has literally nothing on the schedule so I will add the call for 2:15 PM and will put the conference call line on there. Chaney- Since Ashton is out tomorrow (and so am I) you will need text the Governor a few mins before the call to remind her. Also please call in to be the host of the conference call...so dial in a few minutes early and use the passcode.

Let me know if you need anything else. I had added this to the schedule and will send a scheduling notice to you both.

I have already locked it in with her directly, but once she agreed to do it - she asked me to get with you on scheduling it after 2 PM. Not trying to make anyone do any extra work, but I am trying to make sure we do everything we need to do to get this on the schedule and make sure the governor knows it's on the calendar.

It would be easiest if you just ask the Governor directly what would be best for her. There is nothing on the schedule for tomorrow. I will be out of the office tomorrow, but you can use the conference call line for the call. I think that is the easiest for everyone to be on the line.

Nicole,

Can we get 5 mins on the Governor's schedule tomorrow for her to talk to Charlotte Alter from TIME magazine about her "power tools" that help her do her job for the Time 100 issue that she will be

featured in? She said sometime after 2pm.

Also, let me know how we should go about setting this up logistically.
