Join us this Saturday at Musgrove Mill State Historic Site in Clinton from 10 a.m to noon, as we celebrate Flag Day. A park ranger will guide you through the history of the flags used by the Patriots during the American Revolution and Mike Leonhardt, a retired Army Lieutenant Colonel, will present "Etiquette for the American Flag". Also, design a flag of your own as a souvenir! \$2/person For more information or to reserve your space, call (864) 938-0100 or musgrovemill@scprt.com.
