Yes, we have the FOIA's (#144 & #145).
Are you saying the FOIA request itself needs to go to DHEC or the "Final Response Letters" need to go to DHEC?

Thanks!

DISCLOSURE OF OWNERSHIP AND CONTROL INTEREST STATEMENT

General Instructions

Federal Medicaid regulations (Title XIX - 42CFR 455.100 - 106) require that all Medicaid providers disclose the name and address of each person with an ownership or control interest in the provider and any subcontractor where the provider has a direct or indirect ownership interest of 5% or more. All applicants, except individual practitioners or group of practitioners as mentioned in 42 CFR 455.101, must complete this form in order to enroll as a provider in the Medicaid program.

Failure to provide this form may result in a refusal by the South Carolina Department of Health and Human Services (SCDHHS) to enter into an agreement or contract with any such provider or institution or in termination of existing agreements.

Please answer all questions as of the current date. If the "Yes" block for an item is checked, list the requested additional information in that item or under the "Remarks" section on page 4 if more space is needed, referencing the item number to which the information corresponds. If additional space is needed, use another sheet. Return the original to SCDHHS; retain a copy for your files.

Completion and submission of this form is also a condition of approval or renewal of a contractor agreement between the disclosing entity and SCDHHS. This form is to be completed under any programs established by Title XIX and Title XXI and must be submitted whenever any of the provider information changes. Any substantial delay in completing the form should be reported to SCDHHS.

I. Instructions / Definitions: Specify in what capacity you do business as (D/B/A); for example, trade name or corporation. Provider types that must have a NPI must include this information.
