Subject: Fundraiser to help a kid escape the Taliban

Ray Nash is a retired Sheriff from a nearby County, so this is not some scam.  
Forwarded to part of my email address book.

I am passing this on because this young man might lose his life if Ray is not able to make it possible for him to escape.

He isn't planning on him coming to America at this time. He just needs to get him to a safe country.

Thank you,  
Barbara
