\*When there was no attending physician or midwife, then the father, householder, etc., should make this return. If a child breathes even once, it must not be reported as stillborn. No report is desired of stillbirths before the fifth month of pregnancy.

...physician or midwife, then the father, householder, etc. should report the birth. If none of these is available, the report is to be made by the nearest neighbor. No report is to be made if the child is born before the sixth month of pregnancy.
