Subject: Final SY 2012-13 Title I Allocations

I am attaching several documents related to the U.S. Department of Education's final School Year 2012-13 Title I, Part A allocations.

These include:

- a memo to Chief State School Officers and Title I Coordinators from Paul "Sandy" Brown, acting Director of Student Achievement and School Accountability Programs;
- congressional notification of final Title I, Part A allocations (which describes how the formulas operate);
- a final state-by-state allocation table showing the total amount under each Title I, Part A formula;
- a final state-by-state allocation table showing the total amount under Title I, Part A (Grants to Local Education Agencies), Part C (Migrant Education), and Part D, Subpart 1 (State Neglected and Delinquent), if \$14 billion were appropriated for these programs (enabling states to estimate how much they may reserve for administration by law); and
- the final Title I, Part A allocations for school districts within your state.

Hard copies of these materials are being mailed to state Title I Coordinators.

If you have any questions or concerns, please feel free to contact me at (202) 401-0026.
