

Dear Governor Haley,

My name is Joseph Bowers, I've been falsely convicted and sentenced to 15 years in the State Penitentiary. The Judge convicted me of Voluntary man Slaughter and assault and battery with a high aggravated nature.

I'm innocent and I have proof. I'm going to get straight to the point, because I know you are busy. I was invited to a club by a friend, we got to the club and my friend gets into an altercation with some guys, one of them had a gun. I grabbed my friend and told him lets go, because I was scared for my friend.

We were getting into the vehicle we arrived in when all of sudden bullets started flying through the van. My friend and I jumped out of the side of the van in fear of getting shot. My friend pulled a gun out of no where and started to go to the rear of the van. He was shot and killed.

The gun my friend had picked up a in this Black guys hand named Terry Thornton. He started shooting at the guys that was still shooting at us. In the mix of all this, I got blamed by the prosecutor for taking my friends gun and shooting at the guys that was shooting at us.

I would never hurt anyone,  
never the less kill anyone. I'm a  
god fearing man and I don't beleive in violence.  
I don't belong here and I have  
proof. There is a woman named Dana Hardin  
that contacted my wife and said she  
couldn't see a innocent man suffer.  
She has a Video tape of Terry Thornton,  
The guy that really did the shooting  
Confessing that he took my friends  
gun and started shooting.

The police and the  
prosecutor are so corrupted. They lied on  
stand and was caught in there lies.  
The Jury convicted me with false evidence  
of lies.
