I realize your schedule is hectic but we the Miss America, Miss Columbia, SC pageant wanted to invite you and your family to the pageant on January 29th at Hand Middle School in Columbia on Wheat Street.

I am helping out as a volunteer with this organization and would love for you to be able to attend. I met you when my bluegrass band was playing at the Little Mountain Reunion festival in August. I am the fiddle player who is also an Associate Warden at Broad River Correctional Institution. Thank you so much for appointing Judge Byars. I am excited about him leading our Agency.
