It was supposed to be today - but we canceled visit due to conflict in her schedule. We will visit Schneider Electric in the future, and we will consider the request below.

I received the request below from Amy Twitty, a constituent of Senator Alexander. I sent her a response that I would forward her request to his office.

Thanks - Angie

Hi Angie,

I learned today that Governor Haley will be visiting Snider Electric in Oconee County next week, I believe.

I would like to ask Senator Alexander's help in possibly asking Governor Haley make a visit to Tamassee DAR School on that day.

Thank you for your consideration.
