## South Carolina State Parks

at 15:41:59 on 8/16/2009 UTC

While at Devils Fork on Lake Jocassee we ran into a team of scuba divers. Lake Jocassee's deep, clear waters make a perfect atmosphere for diving. Listen as diver Stewart Rose from Taylors, SC tells you why he enjoys diving from Devils Fork State Park.

### Scuba Diving at Devils Fork State Park

**Thomas Constant Jr** I'll pass on the diving, I can't hold my breath that long. I will stick with the trout fishing that we get to do on the clearest lake in the state.
