Marshall,

Tuesday after 11 actually works best for me. I am open the rest of the day.

Yes – if David could give me a call over the next few days that would be great. Then if I have follow up I know I will see him next week. Please give him my 231-9763 number.

Thanks Richele - I was waiting for you all to come up for air after the hurricane before trying to reschedule. Let me touch base with our folks on next week. I am available on Tuesday morning and Friday afternoon. Do you have a preference?

The best person to bring you up to speed on dam legislation is David Wilson - he will be coming with me to discuss midwives, but would you like for me to have him go ahead and give you a ring?

Subject: meeting

Marshall,

I have some time next week if you want to try and meet again on midwives?

Also, I need some help on the dam issues – I think there is legislation coming through the pipeline and I need to get up to speed. Was hoping you could catch met up at your convenience.
