RE: YOU ARE WHITE TRASH

You are a big man as long as you can hide behind your office but you are so cowardly that you dare not honor the judicial system that you took an oath of office to uphold and defend. Instead, you even stoop so low as to bribe the white trash that sits in the Federal District Court of South Carolina, namely Terry Wooten, and his tribe of clowns that have the audacity to deny my Constitutional rights to require you to walk in that court room and present your evidence, or be convicted of the 28 federal violations you willingly and knowingly committed in order to try and hide the fact that you and Jean Toal were using your office to take bribes.

What are you scared of? You decided to attack me "under color of law" and all you have to do is walk into that federal court room and present your evidence.

Let's get some facts straight.

1. In order to serve in an elected office, you are required to be a person of integrity. Instead, you are WHITE TRASH.
2. The United States Constitution prohibits you from attacking me under false pretenses and then raping me of Constitutional rights and my right to use my education and my training to support myself and my family.
3. You decided that you are so important that you could attack me and then hide your corruption behind some "statute of limitations". Your own stupid and arrogant incompetence led you into violating FRAUD UPON THE COURT and consequently you have no Statute of Limitations to hide behind.
4. What source of funds are you using to bribe Terry Wooten and tribe of clowns that have the audacity to deny my rights as a United Citizen but then to sit in judgment of anybody. They are WHITE TRASH like you.

Do you expect anybody with an IQ above 50 to believe they just love you so much that they just decide to use their office to obstruct justice and to prevent the Rule of law to have integrity in this State?

Please excuse me but I want to give Terry Wooten a personal message- YOU SIR, ARE AHOODLUM AND WHITE TRASH AND YOU HAVE PROVEN YOU ARE UNFIT TO SERVE AND YOU NEED TO RESIGN NOW.

5. The reason you are scared to step into that federal courtroom is you know I will prove you and Jean Toal were TAKING BRIBES and I will also prove that you

knew you were violating FEDERAL LAW and yet you think you are so important that you can hide your corruption behind your WHITE TRASHY FRIENDS.

You started this fight you cowardly white trash and the only way you are going to get out of it is for you to walk into that courtroom and bring Jean Toal and Tracey Green and William J. Condon Jr., with you.

Tracey Green and William J. Condon Jr., are "attorneys" that knew from day one they were just doing your dirty work for you and yet they are allowed to keep their CERTIFIED PUBLIC ACCOUNTANT designations at the risk of every citizen that may come into contact with them.

Just look at the "state agencies" that are nothing more than communistic agencies because of you.

- a. Office of Disciplinary Counsel
- b. SC Ethics Committee
- c. South Carolina Bar
- d. The University of South Carolina Law School
- e. The South Carolina Attorney General Office

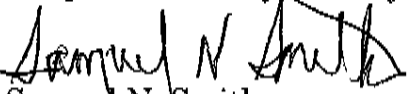

There is no "law enforcement" in this state because everybody knows you are a two bit crook and that Jean Toal is a drunkard that can be bought for a price of "ole henry" timely and discreetly delivered to her office. Consequently, there are no "attorneys" in this state- only white trash that protects you.

GOOGLE- YOU HAVE ALLOWED THIS WHITE TRASH TO SEND YOU HIS FRAUDULENT CLAIMS AND YOU HAVE MADE NO EFFORT TO VERIFY.

The longer you put this off the more the embarrassment is going to become because I am not going anywhere and you and your cowardly friends will NOT intimidate me.

I am sure all your white trashy friends and your WIFE and your PARENTS have to be proud of the fact that instead of you using your office to serve the interests of the PEOPLE, YOU USE IT AS YOUR MAFIA.

See you in court- you slimy white trash.
