Katherine,

I will be downtown tomorrow and can assist with getting your phone swapped out.

Will that work with you?

Regards,
Jim

Jim and Berkley,

I believe I have backed up my work phone via itunes. Are you available today to confirm the back-up and replace this phone with a new one?

Thank you,
Katherine

I'm going to come and get your cell, to bring back to my office, so that I can do what I have to do to make the swap. Can you please make sure to back up whatever (pics,etc.) is on the phone that is important to you?

Thanks,

Berkley L. Cooper I
