Sounds great!

Our distribution days are Dec 19 and 20 from 9:30-12:30 and 1:30-4pm, and families pickup items by appointment.

Our Silver Bells seniors program is running in conjunction with our Angel Tree children's gift program.

As this is our first year doing Silver Bells, we wanted to start small but act meaningfully by serving those seniors who are providing primary care for children registered on our Angel Tree. This year we will be serving about 65 seniors.

This is a surprise for them - when the seniors arrive for their scheduled appointment to pick up the Angel Tree gifts, we will be providing them with a stocking full of items for their own Christmas morning. We love being able to reach out and care for those seniors who are caring for others.

I hope that information is helpful!

**Good Morning Heather,**

We were happy to help get this sorted out. I know we briefly discussed the Lieutenant Governor making a visit once you are up in running. I am copying our chief of Staff, Danny Varat, he would like to further discuss arranging that. Thank you.

Please let me know if we can be of further assistance.

Heather, attached is the fully executed sublease between the Office on Aging and Salvation Army. I've copied the folks at DEW and Aging as they should be able to help with your questions below. Thanks, Ashlie

Hey there Ashlie,  
Happy Monday!

Just checking in on our process - we are so excited about everything coming together!  
For our planning timeline, if all is well, when would we be able to have access to the building to begin cleaning and setup?  
Is there anything else needed on our end for y'all's process?  
Again - I SO appreciate all of your effort and energy poured in to making this work!

Thanks,  
grace,  
Heather
