Subject: Riley's group for change

Hi Chaney,

Thanks for taking my call this afternoon.

Below is some information on the petition and I was just hoping to include some sort of response from Governor Haley for our newscast this evening.

- petition sent about 6 months ago
- group wants change for South Carolina laws. Wants legislation to admit their is a problem.

My question or request is find out what is being done currently through legislation.

Has Governor Haley looked at the Petition.

Is there an update?

Any overall comments about domestic violence in the state.

Any information is really helpful! Please call my cell or feel free to email if you have any questions.

Thank you!
