Dear Mr. Corey,

On April 29, 2015, our office received your Freedom of Information Act request for "a copy of all email correspondence that pertain to the use of the term 'climate change' and/or 'global warming'" of "Governor Nikki R. Haley, [her] chief of staff and all communications staff in Governor Haley's office" from "January 2014 to present".

Our office will provide any and all records in our possession that are responsive to your request, subject to any exemptions or redactions as allowed pursuant to Section 30-4-40(a) of the South Carolina Code of Laws or as is otherwise exempt from disclosure by statute or regulation or prohibited from disclosure by court order.

Due to the high volume of Freedom of Information Act requests received by the Governor's Office and the significant costs associated with producing the requests, our office will charge a reasonable cost for searching and copying records as allowed pursuant to Section 30-4-30(b).

We are currently compiling responsive records to determine an estimated cost. You will be notified as soon as cost estimates have been determined.

Sincerely,

A handwritten signature in black ink, reading "Rebecca Schimsa".
