An Open Letter to:  
The Honorable Nikki R. Haley  
Office of the Governor  
1205 Pendleton St.  
Columbia, SC 29201  
Via USPS

Dear Governor Haley:

Hi, my name is Justin Hart and I go to Eau Claire High School where the standard is excellence. I'm moving up into my junior year, I'm Junior Class President and I'm number 37 out of 251 students in my class. I'm writing this letter to you as a concerned student to ask why you don't visit our school. I understand that you're a very busy person, but I've been asking many of my classmates; how do they think you feel about us and most of them think that you don't care about us. I just think that it would be nice to see how we, the student body of Eau Claire High School, do things on a day to day basis. I would honestly be my dream and privilege to have you at my school. I know you might not be able to get to this letter with everything that has been happening, but I'm still going to send it to you.

Yours truly with sincere personal regards,

Sincerely,  
  
Justin I. Hart  
Junior Class President  
Eau Claire High School
