November 28, 2016

The Honorable Nikki Haley
Governor, State of SC
1205 Pendleton Street
Columbia, SC 29201

Dear Governor Haley:

We missed you at last month's barbeque at Stoney Point. I'd like to give you an update on how Piedmont Technical College continues to have an impact on people's lives in the seven counties we serve.

Enclosed is a card that shows a link to our latest annual report. As you review it, I think you'll see that Piedmont is a critical resource in our community—both for the students who come to us with the hope for better lives, and for members of the business community who depend on us for a well-trained workforce.

Your support ensures that thousands of citizens in our region are getting the opportunity to pursue a quality education that leads to a good job. Also, it means that this institution can remain vital and continue its mission to transform lives and strengthen the communities we serve.

We appreciate your ongoing support and we thank you again for all you do on our behalf.

Sincerely,

2015-2016

ANNUAL REPORT

Transforming Lives. Then. Now. Always.

Piedmont Technical College has enjoyed another big year. We turned 50, opened, upgraded and planned needed facilities and continued to help students achieve great things in and out of the classroom. To share highlights of the year's accomplishments, we've created a new Annual Report website.

WHAT YOU'LL FIND ON THE SITE:

- An overview of the college's 50-year history
- Stories from former administrators and graduates
- A review of the year through social media and news releases
- Details about the opening of our new HVAC Training Center
- Highlights of new projects that are on the horizon for PTC
