Dear Ms. Burton;

This is a request to override the zero visit status of my patient, Celestine Burton; ID#1154093701.

Patient's diagnosis of Hypertension, Hypercholesterolemia, and Peripheral Vascular Disease make it medically necessary for this patient to be monitored closely.

Patient was seen in my office on 01-31-06; for this visit I am asking for consideration of Medicaid payment.

Sincerely,

Sanjay Kumar, M.D.

Re: Celestine Bunton

Dear Dr. Kumar:

Thank you for corresponding regarding this patient. The South Carolina Department of Health and Human Services (DHHS) can support two (2) additional physician office visits for this fiscal year ending June 30, 2006. Please attach a copy of this correspondence to any physician office visit claim you have that will exceed the twelve-visit limit. This will alert our staff to override the automatic system payment rejection edit and reimburse you for this care. Please assist the patient and the S.C. Medicaid program to make optimal use of these visits for medically necessary care. Additional visits should, in general, be physician directed as opposed to patient directed. Also, the 99211 code can accommodate brief encounters and does not count against the allotted number of office visits.

If you would like to discuss this further, please call me 803-898-2500 or 803-255-3400. Thank you for your advocacy regarding this patient and for caring for South Carolina Medicaid beneficiaries.

Sincerely,
