To Whom It May Concern:

I am writing a state report on your wonderful state of South Carolina. I am requesting information that will help me with my report. Could I kindly be sent a map of the state showing points of interest, landmarks, and historical sites?

I would also like to request brochures and pamphlets regarding information about the state. I am also interested about learning about the state's food, festivals and things people do for fun.

Thank you for taking your time to send me information. I appreciate your help.

Sincerely,
