Governor Haley,

We must stop attacking the middle class under the guise of 'taxing the rich'. The death tax needs to be repealed. It only encourages people to become a burden to the state TRANSLATION TAXPAYERS and it encourages the truly rich to hide their money so lawyers get it NOT THE GOVT and it penalizes everyone else who has saved and PAID TAXES ON THE ASSETS AS WELL AS THE MONEY USED TO BUY THOSE ASSETS once already.

Please lobby for, support, and encourage others to do the same and pass HR 1105.

Thank you for your time and for listening to your constituents and for doing the right thing by voting for this legislation. Bill Routh
