Christian,

Per Rob Godfrey's request I have forwarded along some information regarding a program that our company has successfully implemented for State Departments of Transportation. This program resulted in significant taxpayer savings and streamlined processes and procedures. Attached you will find documents that delve into a bit more detail on this concept. I look forward to meeting with you and any others to discuss this concept and its potential cost savings for the taxpayers of South Carolina. Please don't hesitate to contact me should you have any questions.

Sincerely,

Jay Cahill
