Subject: VIDEO: This Week at Interior March 22, 2013

Dear ,

Here's some of what happened this week at Interior: The Statue of Liberty is set to reopen just in time for the 4th of July; cutting the ribbon on a new bridge over the Everglades' Tamiami Trail; new oil and gas leases in the Central Gulf of Mexico go up for bid; Big Branch National Wildlife Refuge continues to bounce back from Hurricane Katrina and the 2010 oil spill; and a new peak bloom date for Washington DC's world famous cherry blossoms.
