Good Morning, Tony:

Thanks for meeting with Dr. Mikota, Connie and me on the emergency HDM procurement. We've received your letter authorizing us to move forward with a contract. Would you please provide us with the following information so we can proceed in discussions with the appropriate vendor?

- Company/Vendor Name and contact information
- Agreed upon pricing structure for meal packages
- Information on discussions you've had with vendor regarding: menu selection and ordering options; acceptable service delivery documentation

Also, would you provide me with the unit rates from each region for the services provided with funds coming from the LGOA? Thanks!

Dr. Mikota and Connie will be at SCARC and have indicated they could talk with you there on Monday if there is a need to follow up on any particulars regarding the HDM emergency procurement. We appreciate your help!

Wishing you and your family a very happy Thanksgiving season,  
Kathy
