Currently, we are organizing 8th World congress on Physical Medicine and Rehabilitation held during March 25-26, 2019 at Sydney, Australia. We sincerely intend to convey our conference Agenda in the Physiotherapy and Rehabilitation Department. If possible, provide the contact information so that we will send the conference agenda with program details and make further follow up.

For More details please visit: <https://rehabilitation.conferenceseries.com/>

Note: 3 or more members from the same lab/institute/university (or) anyone who wish to attend Conference are eligible to get special benefits from ConferenceSeries
