To: Governor Nikki Haley

I am writing to respectfully demand that your State immediately take measures to ensure that no Presidential candidates are placed on your State's ballot unless proof positive evidence of Constitutional eligibility has been supplied and verified -- including a long form birth certificate, verification of natural born citizenship through parental citizenship, and/or any other documentary records publicly available for independent forensic authentication necessary to confirm the candidate is indeed legally and Constitutionally qualified to hold the office of United States President.

Further, I DEMAND that your full state delegation to the U.S. Congress and U.S. Senate hear that citizen outcry is loud and long for Congressional investigation of Barack Hussein Obama's eligibility qualifications for the office of the Presidency under the U.S. Constitution. Thanks to the valiant service of Sheriff Joe Arpaio and his Cold Case Posse, the evidence of criminal ineligibility and election fraud surrounding Obama's natural born citizen status can no longer be ignored, and must be addressed by the full Congress, posthaste.

The concealment, alteration and destruction of the historical record is a propaganda technique of tyranny; a method of totalitarian governance. It has no place in our democratic republic. Yet, a systematic, systemic scrubbing of the documentary evidence of Barack Obama's past is actively underway -- and MUST STOP. For example, the Selective Service System has just altered its record keeping regulations to permit archival document destruction severely impeding criminal investigation inquiries and Freedom of Information Act requests.

MOREOVER, I DEMAND that the House Reform Committee and Judiciary Committee appoint a special task force to provide IMMEDIATE OVERSIGHT of ALL ACTIONS OF THE CORRUPTED DEPARTMENT OF JUSTICE, under the criminal Attorney General Eric Holder -- with special vigilance to upholding fairness and due process in the matter of Sheriff Joe Arpaio of Arizona -- until such time as Holder is IMPEACHED, and all partisan, politically motivated aggression by DOJ against Sheriff Joe is dismissed.

Honor your oath of office; do your duty and defend the Constitution and the rule of law!

Signed,

Janet McMurtrey
