Caroline,
Absolutely! I will reach out to her this week. Is this the best number to reach her - (202) 225-4931?
Hope all is well.
Katherine

Hi Katherine,

Hope you're doing well and had a nice and relaxing Labor Day weekend! One of my friends and old coworker's in Joe Wilson's office has some economic development questions for the Governor's office. Would you mind reaching out to her? She's really great and super easy to work with. I can link the two of you together or you can use her contact info listed below. Thanks so much for your help!

Hi Caroline,

I am looking for someone in Governor Haley's office that could broadly discuss some of the economic development efforts currently underway in SC. Specifically, I wanted to speak a little bit about the structure of workforce development programs in the state and how these efforts are coordinated. If you have someone you could refer me to that would be great!

Thanks!
Lora
