I was given a handout by Joann at SCE&G. I can see if I still have it.

Halti,

Didn't you receive the grant details for the first phase since Hurricane Matthew? These are the numbers that had harvest hope mentioned. If you have that, send to me. I will add into the below summary and ask them to confirm accuracy. This will show them how we look at the fund. JoAnn gave me these details a few weeks ago when we were working on presser.

Second, you can tell Ebony that you do not need the middle tab anymore.

Third, if they give us the first and third tabs weekly or twice a week, we can substitute those numbers in the bottom of this chart. Marcia can let us know when a grant goes out and we can confirm the numbers with each grant phase.
