July 2002

Dear Unclaimed Property Holders:

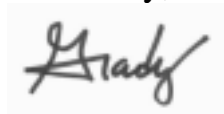

The South Carolina Uniform Unclaimed Property Act requires that unclaimed property must be remitted to the state of the owner's last known address before **November 1, 2002**. Enclosed is everything you will need to file your 2002 South Carolina Unclaimed Property Report.

To facilitate all holders in filing reports electronically, we provide free, user-friendly software that can be accessed on the Internet through the State Treasurer's WEB site at **www.state.sc.us/treas**. See Page 16 of this booklet for additional information. All holders remitting more than 25 items are urged to file electronically; however, we encourage ALL holders to do so in order to ensure accuracy and efficiency. Our staff is available to assist you in this effort.

Your prompt response and cooperation are important in meeting the State's requirement to return unclaimed property to the rightful owners. I appreciate your commitment and look forward to working with you in the future.

If you have questions about holder reporting, please call the Unclaimed Property Program at (803) 737-4771.

Yours truly,

A handwritten signature in black ink, appearing to read "Grady", is enclosed within a light gray rectangular box.

Grady L. Patterson, Jr.
State Treasurer

FREQUENTLY ASKED QUESTIONS

What does the South Carolina Uniform Unclaimed Property Act provide?

The Act provides that the State Treasurer shall serve as the custodian, rather than the owner, of property or funds deemed abandoned under its provisions. It requires that all holders review their records each year to determine whether they are in possession of any unclaimed property, to file an annual report of their findings, and to remit their unclaimed property to the State Treasurer's Office, Unclaimed Property Program. The report must be filed with the State Treasurer before November 1 of each year as of the preceding June 30. **Remittance is due with the report.** Any person claiming an interest at any time in any property delivered to the State Treasurer under the Act may file a claim on forms furnished by the State Treasurer.

What is unclaimed property?

Unclaimed property includes, but is not limited to, checking and savings accounts, wages or commissions, money orders, insurance proceeds, underlying shares, dividends, customer deposits, credit balances, layaways, and credit memos which have remained unclaimed by the rightful owner for a specified period of time. See page 4 for the dormancy periods for each property type.

Why does South Carolina have an unclaimed property law?

- To provide the holders relief from liability
- To protect the property rights of the owner and to reunite the owner with the funds
- To provide a centralized point of contact for potential owners of unclaimed property

Who must file an unclaimed property report?

Any business entity, whether for profit or not for profit, including proprietorships, partnerships, corporations, estates, trusts, charitable organizations; fraternal or cooperative associations; and other legal or government entities which are in possession of property belonging to another. All holders are responsible for filing reports on behalf of their branches, divisions, or other affiliated entities. South Carolina does not require the filing of negative reports by those entities who have thoroughly researched their records and have determined they do not have property to report.

What is the holder's obligation to the owners before reporting accounts as unclaimed?

Not more than 120 days before filing the report, the holder must send written notice (see sample notice on page 8) to the apparent owner at his last known address informing him that the holder is in possession of property that may be presumed abandoned. No written notice is required by the holder if there is no known address or the property has a value of less than \$50.

What can a holder do if an owner requests payment of funds reported to the State Treasurer as unclaimed?

The holder may either refer the owner to the Unclaimed Property Program office to obtain a claim form or make payment to the owner and then seek reimbursement from the State Treasurer. A copy of the *Former Holder's Claim for Reimbursement* is included in this booklet. It is suggested that the holder contacts the office, before paying the customer, to make sure that the customer has not already been paid. Please allow 6 to 8 weeks after report has been sent to request reimbursement.

How should checks and stock certificates be remitted to South Carolina?

- Checks, due at the time of reporting, should be made payable to the **S. C. State Treasurer, Unclaimed Property Program**.
- Securities must be registered in the name of **S. C. State Treasurer, Unclaimed Property Program** OR delivered in street name to the Unclaimed Property Program's account. Please call (803) 734-2667 for DTC delivery instructions.

What attempts are made by the State Treasurer's Office to find the rightful owners?

Before April 30 following the November 1 reporting deadline, the State Treasurer is required to publish those accounts of \$50 or more in a newspaper of general circulation in every county in which the last known address of an owner is located. In addition to the newspaper advertisements, the State Treasurer's Unclaimed Property staff is engaged in a continuous, proactive public outreach program to reunite owners with their unclaimed property.

FILING AN ANNUAL UNCLAIMED PROPERTY REPORT

- I. Review records for any unclaimed property that would be reportable as of June 30, 2002. Refer to page 4 for types of reportable property and their respective abandonment holding periods.
- II. If a diligent search has shown the company is *not* holding any reportable property, you do *not* have to file a negative report.
- III. If the company *is* holding reportable property, a report must be filed, and the property remitted, before November 1, 2002. Reports and property received after that date may be subject to interest and penalties.
- IV. Not more than one hundred and twenty days before filing the report, the holder **must** send a written notice to the apparent owner of any account valued at \$50 or more. **A sample copy of the notice sent in 2002 must be filed** with the holder report. The purpose of the notice is to inform the apparent owner the property has been determined abandoned and will be remitted to the State unless a response to the notice is received. Therefore, it is important to allow sufficient time for the owner to reply before reporting the property as unclaimed.

INSTRUCTIONS FOR COMPLETING THE CASH ITEMS REPORT

Use this report for all cash items except for dividends being reported at the same time as the underlying shares. These dividends should be reported with the underlying shares on the *Securities and Non Cash Items Report*, on page 11. **IF YOU FILE YOUR REPORT USING YOUR OWN FORMS, THEY MUST BE IN THE SAME FORMAT AND CONTAIN THE SAME INFORMATION AS THE FORM ON PAGE 9.**

1. Complete the Holder Information section, including the *Holder Number* which is above your company's name on the mailing label.
 2. Combine all cash items of less than \$50 and report them in the aggregate as one item labeled "TOTAL ITEMS UNDER \$50". Enter this on the first line of the report.
 3. Combine all cash items of \$50 or more for whom the owner is unknown and report them as one item labeled "TOTAL OWNER-UNKNOWN ITEMS". Enter this item on the second line of the report.
 4. Every cash item of \$50 or more, for which the owner is known, must be reported separately, using one line for each item. Enter as follows:
 - Column 1 List names in **alphabetical order**, last name, first name, then middle name or initial. If the property is owned by two or more persons, list each owner's information on a separate line, then **skip a line** before reporting the next property item. For corporations, associations, and trade names, use the words in the name in their original order, such as New Hope Insurance Company or James R. Allen, Inc. For instruments purchased by one person and payable to another (i.e. cashier's checks, certified checks, etc.), list names and addresses of both, indicating the payee's name first.
 - Column 2 Enter last known address of the owner (**including zip code**). If address is unknown, write "unknown" in the address column.
 - Column 3 Provide owner's social security number or federal tax identification number. Providing this information enables us to more easily identify the rightful owner.
 - Column 4 Furnish identification number assigned by the holder (i.e., account number, certificate number). Each item should be assigned a number for purpose of identification.
 - Column 5 Enter date of last owner-generated activity or the date when the property became due, payable, demandable or returnable. Show dates as mm/dd/yy.
 - Column 6 Refer to page 5 for a complete list of property codes, then enter the appropriate code.
 - Column 7 Refer to page 5 for the owner codes, then enter the appropriate code.
 - Column 8 Enter dollar value of the account or instrument.
 - Column 9 If an interest bearing account, furnish interest rate the account was earning when remitted.
- ⇒ Remittance for all cash items is due with the report before November 1. Make checks payable to: S.C. State Treasurer, Unclaimed Property Program.
