David and Brian – please let us know what the proposed location could be and what time is best for the school.

I am not sure if a location has been determined for this presser or not, but if it is not in Columbia....working around the House freshmen lunch will be very difficult since it is scheduled for 12:30-2:30 PM. I need a location before I confirm for sure, but I does not look ideal if not done in Columbia.

Molly is not available on Monday 12/12 for the CATE presser due to EOC and SREB.
She available on Wednesday 12/14 – is there any way we can move the presser to the 12/14 – without conflicting with the House freshmen lunch?
Thanks, KV
