Sorry about the delayed response, Katherine.

Yes, it was the Heritage Classic Foundation that provided it. We are a non-lobbying entity.

The value of those badges are complicated because of the access granted. You all will need to figure out what they were actually used for.

- Calibogue Club access is valued at \$325 per ticket per day
- Tartan Club Access is valued at \$225 per ticket per day
- 18 skybox really has no specific value except that of a daily clubhouse ticket which is \$75 per day
- Heritage House is a respite and milk shakes, snacks and spirits were offered. Only access available is by invitation and the guest must already have a tournament credential.

Does this help?

Thanks!

Angie

Hey Angie,

For the Governor's ethics filings, what is the value of the Governor's Heritage badge and ticket to Calibogue Club and what entity provided it (Heritage Classic Foundation)?

Thanks for your help!
