Subject: Restructuring Overview - Final Draft

All,
Attached is the final draft of the overview which will be sent shortly to the board members. Thank you for all your input.
I think the next step is for each section to give a five minute presentation to better highlight or illustrate the key programs and so they can learn more about you as well. It looks like we may start with some of these on Feb 13. We will meet and discuss soon; have a good weekend.
Frank
