Burnie,  
We have gathered a group to study current dealer licensing and tag laws  
and  
to suggest changes that may be needed to improve the legislation. Pat  
Watson with the dealer association, Jim Edwards with the independent  
dealers, a county auditor/treasurer, and I will participate in the  
group. I  
would like to also invite you or your designee to participate in the  
group.  
We have targeted August 11 or August 18 as our first meeting date.  
Will you  
be able to attend, and if so, do you have a preference for the date?

Marcia
