Miles,

Thanks for the shout out – I was not on the list, but I was slammed last week so I could not have come.

I will check on whether she could speak or not. It may be possible as some of her agenda items this year dovetail. I have put a note on my calendar to check with her in January. It really will depend on her schedule and how busy session turns out to be, so I think that will be the time to try and work it into the spring calendar if possible. I will get back with you in January on this.

Please add me to the list for Fed Soc!

Richele

Subject: Possible Fed Soc event

Richele,

As I was preparing for the Fed Soc lunch/CLE tomorrow (I hope you got the email invitation for that? If not, let me know so I can add you to the distribution list), I was thinking about planning future meetings. I know Governor Haley is scheduled to be one of the keynote speakers at the national Fed Soc convention in a few weeks. I won't be able to attend this year, and I—like many of our other local Fed Soc members—will be sad to miss hearing her remarks live.

Is there any chance the Governor would consider giving a talk to the local Fed Soc chapter sometime thereafter? She could either give the same talk from the national convention (since most of us will have missed it) or she can speak on any topic she wishes. We could use one of the larger conference rooms at Nelson Mullins, since I think we'd have a pretty good turnout for the event.

Let me know if that's something you think is feasible and, if so, how best to go about it.

Thanks,

Miles
