Okay these are small JPEGs. Can you please ask them if they have any vector images of their logos we can use? AI or EPS would both work for me. Thanks.

I emailed the drop box email from Alex. Please let me know it worked.

For the first and last image on the screen for the First Gentleman  
Invitational video let's do -----Thank You to Our Event Partners (picture  
attached to reference for logo placements).

All 4 logos – are attached. Please let me know if you have any questions.  
Doesn't have to be on white background – whatever you think looks best. I  
will be around all weekend.

Thanks, Veldran
