Gov. Haley, SC House of Representative, SC Senate, US EEOC, SCHAC, SCDEW and SCBCB:

Disclaimer: No Harassment or intimidation involved seeking the truth and justice.

Is it legal to intimidate or harass anyone at a public meeting, prevent them from asking questions of concerns and treated like a common criminal by a authorized security detail under the direction of SCHAC, Director Ray Buxton. I should have been allowed to address SCHAC Board Member, Susan Bowers for concerns with a determination made on a complaint against SCDEW. I had this experience at SCHAC on 11/20/2014 and felt like a common criminal. The feeling was so awful that it touch the core of my being.

For all these lawmakers that make policy for all the citizens of this state it is not signs of a good statemans to only address issues in your district and even more distasteful to have your email set up with that response. The citizens of the state expects better so lets do better. All lawmakers represent the entire state.
