Report that I tipped to the FBI

Subject: Threat Prevention, Synthetic Telepathy  
Date: 10/24/2014

1. Synthetic Telepathy Election Time Trap.
2. In 2010 Julia at Age 42, and Terry at age 50 and Marsha who was Synthetic Telepathy Merged with a girl who lied about her age by one year becoming age 42 in 2016 and 50 in 2024 was used to create an election time trap.
3. Hillary Clinton attempting to use Diana Lane for a Hillary's Part in a Film or TV Show is relevant as Terry was A.I. merged with the Diana Lane I.D. prior to Hillary choosing Diana Lane.
4. In early 2012 I reported a rape to the F.B.I. and as of todays date 10/24/2014 they had not legally processed the crime. I noted an A.I. command to send Marsha into the election time trap causing her to become raped and Synthetic Telepathy Trapped until 2024. We inactivated the data to help prevent it and I objected to it by stating no I hold her close, and self-declared CIA stated that she is holding her hand too far out. This origionated in 2010 and as years have gone by with a daily attempt at Story Transformation to shift guilts away from those who's motive it was onto innocent people in the midst of a Synthetic Telepathy Outbreak I propose that Congress provide a Congressional Investigation into the use of Artificial Intelligence and it's impact on Society, including the 2012 Federal Election For President Of The United States of America.
5. Every arrest to the Players of the Denver Bronco's Football Team is Suspect for Un-natural Cause.
6.  
"Someone in Government F\*\*\*ED Up Early On and has been Bull-Shitting ever since"  
But what does this have to do with Monica Lowinsky? Marsha needs three Cuban's, no she doesn't
