Dear Mr. Bryant,

Thank-you. THANK-YOU. THANK-YOU!!! You are standing in the gap between the abortionists and Christians/pro-lifers who are so sick of the lies. You have our permission to hold up the budget for as long as you possibly can! In the governor's race, we voted for you and have never regretted it!!! Did you know you were the only candidate willing to take Trump up on the drilling for oil and relieve the people at the gas pumps? We support you. God bless you.
