Subject: question

Hello Lily,

Representative Rick Martin is on a radio talk show on Monday, May 15. He is supposed to talk about what has taken place this year for the council on aging in the legislature. He talked to someone in your office 2 weeks ago. Whoever he talked to said he would send the information and talking points right away. He has not heard from anyone yet. Can you find out something for me? I called your office and got the answering machine again. He needs as much information as possible.

Thank you ,

Joye
