Dear Ms. Philpott,

I received your letter concerning Ms. Dottie Broyles nomination to the Board of Voter Registration and Elections in Spartanburg County. Mrs. Broyles has done an excellent job in this position in her first term.

I called her concerning the charges in her SLED report and asked her to send me a letter concerning these charges. Attached is the letter she sent me.

I have confidence that she should be re-appointed to this position.

Thank you, and please let me know if you have any further questions.

Dear Senator Martin,

As you are aware I have served on the Voter Registration Board in Spartanburg County since 2009. I would like to thank you and the entire Legislative Delegation for continuing to support my appointment to this board.

At the time of my initial appointment, a background check reported a charge to me of "open container" in a vehicle in 1986. After writing a letter to the Governor explaining the incident my appointment was approved. The facts are as follows, I was 21 years old and a passenger in a vehicle that was stopped by a Woodruff police officer. Everyone in the vehicle was charged with having an open container of alcohol. I paid a fine of about \$65.00 to the Magistrate.

The aforementioned incident has not and will not inhibit me from performing my duties of the Voter Registration and Elections Board. If you need any other information regarding this please contact me.

Sincerely,
